District of Columbia Commissioned Officers Association

CDR Hien Albright, MPH

Vice President

CDR Albright is an Environmental Health Officer and the Chief of the Training Branch at Commissioned Corps Headquarters. She manages a team that is responsible for developing and delivering deployment and career development trainings to all Public Health Commissioned Corps Officers. Prior to joining CCHQ, CDR Albright was a Project Officer/Training Officer at the Office of Training, Education, and Development with FDA's Office of Regulatory Affairs. She received a Master's in Public Health at Boston University and a Bachelor of Science at Boston College. She lives in MD with her husband, a fellow PHS Officer, and their son.
