LT Morgan Lee

Treasurer

LT Morgan Lee commissioned in 2017 as an Engineer Officer after transitioning from civil service at the Food and Drug Administration (FDA) in White Oak, MD. She currently works as an Emergency Coordinator in FDA's Office of Commissioner, Office of Emergency and Security Management, Office of Emergency Operations, where she coordinates FDA's emergency preparedness and response to epidemiological investigations, natural and man-made disasters, and other potential imminent dangers to the public health involving FDA regulated products, personnel, and facilities on a 24-hour, 7-day-a-week basis.

LT Lee has been actively involved in USPHS through the Engineer Professional Advisory Committee, APAOC, and District of Columbia Commissioned Officers Association, where she volunteers on projects, is a voting member alternate, and served as finance chair (2020 - 2022), respectively. She hopes to continue to be active in these groups and gain more leadership experience. LT Lee is local to the DC area as she grew up in the Montgomery County, MD and received her Bachelor of Science in Bioengineering from University of Maryland, College Park. She is currently pursuing her Master of Engineering in Engineering Management from University of Louisville using the online format. She will be graduating from the program at the end of 2022!
