CDR Bic Nguyen

Member-at-Large –
Pharmacy Category

CDR Nguyen joined the United States Public Health Service in 2008, after graduating pharmacy school at the University of the Sciences in Philadelphia. Her career began at Indian Health Service in Zuni, NM, where she worked as an inpatient and outpatient clinical pharmacist. She transitioned to the FDA in 2013 and worked in the Office of Generic Drugs as a project manager then a team lead. Currently, she works in the Office of Executive Programs where she manages the Center for Drug Evaluation and Research's policy initiatives for opioids and other controlled substances. Throughout her career, she has developed a passion for mentoring pharmacy students and junior officers. She also enjoys being active and loves hosting family and friends.
